

Harry A. Whitaker, Ph.D.

Professor

Department of Psychology

Northern Michigan University

Marquette, Michigan 49855

office: (906) 227-2935 FAX: (906) 227-2954 e-mail: whit@nmu.edu

CURRENT PROFESSIONAL & ACADEMIC POSITIONS:

Professor, Department of Psychology, Northern Michigan University. 1997--current

Section Editor, Historical Perspectives, Journal of Cognitive and Behavioral Neurology. (Murray Grossman, Editor) Lippincott, Williams & Wilkins. 2002--current

Section Editor, Neurolinguistics, Journal of the History of the Neurosciences, 1997--current

Advisory Editor, Journal: The Mental Lexicon (Publisher: John Benjamins), 2006--current

Member, College of Reviewers, Canada Research Chairs Program. 2000—current

Archivist & Historian, Memory Disorders Research Society, 2005—current

Consultant, Genalysis, Newport, VA, 2008—current

GENERAL

Dual citizenship, United States (birth) and Canada (naturalized)

Second language competency: French

HONORS:

President, UCLA Graduate Student's Association, University of California at Los Angeles, (elected 1967-1968 and again in 1968-1969)

Fellow, American Psychological Association, Division 6, Physiological and Comparative (elected January, 1986)

Fellow, American Psychological Association, Division 26, History of Psychology (elected August, 1997)

President, The International Society for the History of the Neurosciences, President-elect 1996-1997, President 1997-1998, past-President, 1998-1999

EDUCATION (pre- and post-doctoral):

B.A. (English) Portland State College, Portland, Oregon , 1964

University Fellowship, Michigan State University, East Lansing, Michigan, fall 1965

NDEA Title IV Fellowship, University of California at Los Angeles, 1966-1969

NDFL Title VI Fellowship (language: Thai), University of Michigan, summer 1967

M.A. (Linguistics), University of California at Los Angeles, Los Angeles, CA, 1968

C.Phil. (Linguistics), University of California at Los Angeles, Los Angeles, CA, 1968

Ph.D. (Linguistics), University of California at Los Angeles, Los Angeles, California, 1969
Title of doctoral dissertation: "On the Representation of Language in the Human Brain"

NIH Post-doctoral Fellowship (Neurology and Speech Pathology), Mayo Clinic, Rochester, Minnesota 1971-1972 (sabbatical leave, University of Rochester)

NINCDS Post-doctoral Fellowship (Neurosurgery), University of Washington School of Medicine, Seattle, Washington 1976-1977 (sabbatical leave, University of Rochester)

NINCDS Post-doctoral Fellowship (Neurosurgery), University of Washington School of Medicine, Seattle, Washington 1994-1995 (congé sabbatique, Université du Québec à Montréal)

PREVIOUS TEMPORARY ACADEMIC POSITIONS

Assistant Professor, Dept of Linguistics, State University of New York-Buffalo, Jan-June, 1971

Assistant Professor, Linguistic Society of America, Summer Linguistics Institute, SUNY-Buffalo, 1971 (taught first course in Neurolinguistics)

Associate Professor, Linguistic Society of America Summer Linguistics Institute, University of South Florida, 1975

Associate Professor, Linguistic Society of America Summer Linguistics Institute, University of Hawaii, 1977

Visiting Professor, Department of Psychology, Southern Illinois University-Carbondale, 1977

Visiting Professor, National Technical Institute for the Deaf, Rochester Institute of Technology, Rochester, NY, 1978

Professor, Joint Linguistic Society of America and University of Salzburg Summer Linguistics Institute, University of Salzburg, Salzburg, Austria, 1979

PREVIOUS TEMPORARY ACADEMIC POSITIONS

Professor and Director, Linguistic Society of America Summer Linguistics Institute, University of Maryland, 1982

Visiting Professor, Department of Psychology, Brock University, September 1988

Professor, Vivian Smith Advanced Studies Institute and the first International Neuropsychological Society's Summer Institute, Xylocastro, Greece, June-July, 2002 (taught first course in History of Neurolinguistics)

Distinguished Visiting Professor, Department of Psychological and Brain Sciences, University of Louisville, Louisville, KY Fall semester, 2004

PREVIOUS PROFESSIONAL ACTIVITIES

Consultant, Science Research Council, University of Essex Language Centre, Colchester, England, 1970

Member of the Program Committee, Academy of Aphasia, 1973-74

Member of the Program Committee, Linguistic Society of America, 1974-76

Member of the Program Committee, International Neuropsychological Society, 1976-1977 and 1984; Chairman of Committee, 1977

Conference Organizer "Sign Language and Neurolinguistics" Rochester, NY, 1976

Co-organizer and Founder, Annual Congress on the Neuropsychology of Language (BABBLE): Niagara Falls, Ontario, 1978-1989

Secretary, (elected) International Neuropsychological Society, 1979-1982

Conference Organizer "Broca Centennial: Historical Studies in Brain-Behavior Relationships" Lake Mohonk, NY, 1980

Consultant, NIH-NINCDS grant, (PI:Dorothy Aram) 1981—1990

Co-Director, NATO Advanced Study Institute on Dyslexia, Maratea, Italy, 1982

Local Arrangements Chair, Academy of Aphasia, 1982 annual meeting

Editor (acquisitions), Monograph Series: Neuropsychology and Neurolinguistics, Lawrence Erlbaum and Associates, Publishers, 1984-1985

Editor (acquisitions), Monograph Series: Perspectives in Neurolinguistics, Neuropsychology and Psycholinguistics Academic Press, 1976-1983

President, Red River Valley Chapter of the Society for Neuroscience, 1985

PREVIOUS PROFESSIONAL ACTIVITIES

Consultant, NICHD center grant, developmental neuropsychology; (PI:Frank Wood) 1986--1990

Editor (acquisitions), Monograph Series in Neuropsychology, Springer Verlag, NY, 1986-1992

Executive Editorial Committee: Encyclopedia of Human Biology. San Diego: Academic Press, 1987—1991

Co-organizer and Founder, Annual Congress on Theoretical and Experimental Neuropsychology (TENNET), Montreal, Quebec, Canada 1990-2001

Conference Organizer "Commemorating Works by Franz Joseph Gall (1791) and Sigmund Freud (1891) Fort Myers, Fla, April, 1991

Membre associé, Centre de recherche, Institut Universitaire de Gériatrie de Montréal, 1997--2003

Membre associé, Laboratoire de Neurosciences de la Cognition, Université du Québec à Montréal, Montréal, Canada, 1999--2003

Member, Board of Advisors, Brain Surgery Worldwide, LLC. 2001--2004

Membre du Comité Scientifique, Psychologie et Histoire (Serge Nicolas, Directeur) on-line journal published by Université René Descartes, Paris V, 2002--2004

Editor-in-Chief and Founding Editor, Journal: Brain and Cognition, (Publisher: Academic Press then Elsevier Science) 9 issues per year, 1982-2002

Editor-in-Chief and Founding Editor, Journal: Brain and Language, (Publisher: Academic Press then Elsevier Science) 12 issues per year, 1974-2004

Reviewer, book manuscripts, Wadsworth Publishing and McGraw-Hill Publishers 2003

Reviewer for "Nature Reviews Neuroscience", 2003

Action Editor, History, Brain and Cognition, (Sid Segalowitz, Editor). Elsevier. 2002—2004

Referee for the Cognitive Neuroscience Society, 2005

Reviewer, American Psychological Association, PsyCRITIQUES, 2006--current

Director, Northern Michigan University Press, Marquette, MI. 1999--2006

Consultant, Summer 2007, medical-legal expert on foreign accent syndrome case – private law firm

Consultant, Spring 2008, research expert on foreign accent syndrome, Univ of Kansas School of Medicine, Dept of Psychiatry & Behavioral Sciences

Associate Director, E-Metrics, Louisville, KY, 2006—2008

Section Editor, Brain and Language, Encyclopedia of Language and Linguistics 2, Elsevier Science Publications; scheduled for publication in 2006 (approx 45 articles), 2003—2007

PREVIOUS FULL-TIME FACULTY APPOINTMENTS:

1969-1980

University of Rochester, Rochester, New York

Assistant Professor of Linguistics and Psychology, 1969-1973

Assistant Professor of Neurology, 1971-77

Associate Professor of Psychology, 1973-77

Professor of Psychology and Associate Professor of Neurology, 1977-1980;

Head of the section of language and cognition of the Department of Psychology

1980-1984

University of Maryland, College Park, Maryland

Professor, Department of Hearing and Speech Sciences, 1980-1984

Professor (affiliate), Department of Psychology, 1981-1984

Advisor, Clinical Center, National Institutes of Health, 1981-1984

Adjunct research staff, Ft. Howard VA Medical Center, 1981-1984

1984-1988

University of North Dakota, Fargo, North Dakota

Professor of Neurology, Division of Neurology, UND School of Medicine, 1984--1988

Director, Cognitive Neuroscience Research Program, Neuropsychiatric Institute, Fargo, 1984-1988

Neuropsychologist (research) Dept of Neurology, VA Medical Center, Fargo, 1984--1988

Adjunct Medical Staff -research, St.Luke's Hospital, Fargo, 1984--1988

Adjunct Medical Staff -research, Dakota Hospital, Fargo, 1984--1988

1988-1999

Université du Québec à Montréal, Montréal, Québec, Canada.

Professeur titulaire de psychologie, Département de Psychologie, 1988-1999 congé sans salaire,
1997-1999

Responsable, Section de Neuropsychologie, 1995-1997

Membre, Laboratoire de Neuroscience de la Cognition, 1990-1999

CURRENT MEMBERSHIP IN PROFESSIONAL SOCIETIES:

American Psychological Association (Fellow, Divisions 6 and 26)

COURSES TAUGHT, NORTHERN MICHIGAN UNIVERSITY, Dept of Psychology, 1997-2009

Introduction to Psychology – Honors	freshman
Origin of Western Values since Renaissance – Honors	freshman
History of Neuroscience – Honors	sophomore
Asymmetry in Plants and Animals – Honors	sophomore
Neuropsychology	junior
Thinking and Cognition	junior
History of Psychology	senior
History of Modern Psychology	master's degree
Individual Differences	senior
Psychology of Language	junior
Advanced Physiological Psychology	senior

COURSES Proposed/Prepared at NMU:

Introduction to Social Neuroscience	senior & graduate
Race and IQ	sophomore & junior

OTHER COURSES and SEMINARS taught at: Michigan State Univ., Univ. of Rochester, Univ. of Maryland, Univ. of North Dakota, Univ. du Québec à Montréal, Univ. of Louisville, State Univ. of New York at Buffalo, Univ. of South Florida, Univ. of Salzburg, Aristotle Univ. of Thessaloniki, Univ. de Paris - René Descartes and the Univ. of Athens (in 2010)

Aphasia; Cognitive Psychology; Neurolinguistics; Sensation & Perception; Brain and Language; History of Neurolinguistics; Clinical Neuropsychology; Developmental Neuropsychology; Language Development; Semiotics – animal communication; English as a Second Language; and a variety of Linguistics courses in phonology, grammar and syntax
